**ETS Tops \$2.4 million in Donations to Lawrence Township Public Schools**

This year, Educational Testing Service (ETS) donated an astounding \$92,000 to the Lawrence Township Education Foundation (LTEF) to support local public-school students and schools. This brings ETS's overall funding to the LTEF to \$2,434,000 since 1993. In addition, ETS has been a strong financial supporter of the Lawrence Township Public Schools (LTPS) since 1981.

"The LTEF is extremely grateful for its partnership with ETS and the organization's success is a direct result of the generous annual donations that make it possible for the LTEF to achieve its mission," said Karen Faiman, executive director of the LTEF. The LTEF is a nonprofit organization that raises funds to support projects and programs within LTPS that foster excellence, creativity, and achievement in education. Just this spring, LTEF surpassed 1,000 grants funded in LTPS, with more than \$4.2 million invested in these projects and programs.

ETS has been a vital partner of LTEF since its creation. The mission of ETS is to advance quality and equity in education by providing fair and valid assessments, research and related services.

"Supporting the Lawrence Township Education Foundation aligns with ETS's mission and work, and represents our commitment to public schools and the students they serve," said Lenora Green, executive director of ETS's Center for Advocacy and Philanthropy (CAAP).

For more information about the LTEF, please visit our website at [www.ltefnj.org](http://www.ltefnj.org) or e-mail us at [info@ltefnj.org](mailto:info@ltefnj.org).
