ETS Donates \$93,022 to the LTEF!

Educational Testing Service (ETS) donated an astounding \$93,022 to the Lawrence Township Education Foundation (LTEF) to support local public school students and schools this academic year.

ETS' donation to the LTEF, along with other funding, ensures that Lawrence Township public school students have had the opportunity to take part in innovative classroom projects, use new technology, and help students keep the mind, body and spirit healthy. So far, this academic year, LTEF has contributed to 33 innovative programs throughout the Lawrence Township Public Schools.

"This year marks [LTEF's 30th anniversary](#) and ETS has been a vital partner to us since our creation in 1992. We are extremely grateful for their continued partnership," said LTEF Executive Director Karen Faiman.

The mission of ETS is to advance quality and equity in education by providing fair and valid assessments, research, and related services. Insert ETS quote

LTEF raises funds from individuals, local businesses, corporations, and foundations for programs that foster excellence, creativity, and achievement in education for all students in Lawrence Township Public Schools. LTEF has contributed \$4.3 million over the past 30 years, positively impacting its focus areas of equity and inclusion; STEM (science, technology, engineering, and mathematics) training and programming; arts and cultural enrichment; and classroom technology and resources. For more information on LTEF and ways to support the Foundation, visit www.ltefnj.org or email info@ltefnj.org.
